Nearing first £1,000

Hagley Community Association celebrated Twelfth Night with a very successful dinner-dance at the Lyttelton Arms Hotel on Monday evening. As the guests entered the hotel they were faced with a splendidly displayed tombola with gifts which had been donated by many local traders and private individuals from Hagley, Stourbridge, and Kidderminster.

Mrs. A. Hopkins had worked extremely hard in recent months collecting and arranging the gifts, assisted by Mrs. Maxwell Turner, chairman of the finance committee.

Mrs. Hakney, and Mrs. A. H. Chattin were mainly in charge of the tombola, which raised £137 8s. including the auction by Mr. Bill Day (licensee of the Lyttelton) of a voucher for a year's membership of the Clean Car Club which had been donated by Pritchard's Garage, and was won by Mr. Frank Coe.

Winners in another auction and competition were Mr. Leddington and Mr. Coe. It is hoped that by the end of the month the first £1,000 for the building fund will have been raised.
