EDITORIAL

It is now certain that the Centre will be finished in time for the Official Opening on Saturday, November 1st at 2.30. Unless his duties intervene, Lord Cobham has intimated that he will be pleased to perform the opening ceremony and the Lord Bishop of Worcester will give his blessing to the venture. There will possibly be a shortage of accommodation for everyone who would like to be there at this time, but more about these arrangements at a later date. Applications for bookings should be sent to our treasurer, Mr. C. Goode, 23, Worcester Road.

A list of the proposed charges will be found in another place.

Secretaries of the various sections (organizations) will be asked to send in 2/- for each member as an annual subscription with exception of the Guides, cubs and Senior Citizens who will be asked for 1/-.

It is estimated that with heating, lighting and general expenses, it will cost in excess of £1,000 per year to keep the Centre as it should be kept for the comfort of the users.

The Socials Committee is arranging for the usual Autumn activities, a Jumble Sale, a Hallowe'en Dance and a New Year Dance. Details of these later.

One of our steady incomes, 'The Tote', seems to have fallen off lately, possibly owing to some of our collectors having left the village, or being on holiday or other personal reasons. We are hoping that others will step into the breach and help us. If anyone is willing to do so will they get in touch with a member of the committee. If you will collect the money we will collect from you.

We regret to hear of the illness of Mrs Langman who is now in the General Hospital, Steelhouse Lane. We accord her our very great sympathy and wish her a very speedy recovery.

A meeting of the Council of the Community Association has been called for Friday, 5th September at Park Road Infants School at 8 p.m. to discuss arrangements for the opening and running of the centre.
