EDITORIAL

The Parish Council, assisted by the Bromsgrove Rural District Council and the Worcester County Council, are to be congratulated on the outcome of its persistent efforts to bring safety to the village. A 'Panda Crossing' at the Western Road junction, though not the ideal solution, (and ordinary traffic lights are out of the question at the moment) will bring some measure of safety at this point. Thanks to Coun. Bache and his Road Safety Committee something at last has been achieved.

Our senior parishioners will be glad to know that the seat which was removed from Kidderminster Road hill when the road was widened will now be replaced.

At last a start has been made to the building of the Community Centre. The first turf was cut by our President, Dr. N. Turner on Saturday, April 12th in the presence of a good number of organisation members and well-wishers. The contract gives November 10th as a completion date thus bringing to fruition the work of seven years since its inception.

A grant of £50 has been made by the Worcestershire Education Committee towards the cost of the centre. 'Every little helps'.

Applications for affiliation to the Community Association have been received from the Hagley Former Pupils of the Roman Catholic School and the Hagley Labour Party.

We acknowledge with many thanks the gift of £15 from the Hagley Ladies' Circle.

The Association is greatly in need of volunteers to do secretarial work both for the Fete Committee and the Social Committee. Please inform Mrs. Batham if you can assist in any way. Your assistance will be very welcome.

We now have no distributor for Pinewoods Avenue. Would someone let me know if they can help.
