EDITORIAL

The cost of issuing the 'Village News' is borne by the advertisers of which several new ones appear in this issue. You are then asked, all conditions being equal, to patronize these trades-people.

Things are moving rapidly on the site of the 'Centre'. The foundations underfloor services and concrete floor are all finished and before long we should be seeing the shell in position.

We are sorry to hear of the illness of our Treasurer, Mr. C. Goode and our 'Tote personality' Mrs. Satchell, and sincerely hope that they will make a speedy recovery.

Church Street is a comparatively narrow road and its junction with Worcester Road has been made a 'no-parking' area. Difficulty is now being experienced near the entrance to the allotments owing to the long line of cars which are left there at weekends, presumably by visitors to the playing fields. A very commodious car park has been provided at the other entrance. Would it not be better then if these cars were left at the car-park and so leave the road open to possible emergency services. Would our sportsmen friends please bear this in mind.

The weather was very kind to us for our Fete on Saturday and a very good crowd came along to see the fun. Although the exact amount is not yet known our treasurer expects to show a profit of about £180. The thanks of the Community Association is extended to all those willing helpers who again came forward and to those who came along and loosened their purse-strings.
