

147 WORCESTER ROAD

This shop has always been a butcher's.

It was built by Mr Griffiths sometime before 1928.

For many years it was Marsh and Baxters until Bostins moved here from School Lane.

They were followed by Jan and Bill Harris who still own the present property that was built in the early 1990s.

Jack Hunter

He was manager here from 1946 until 1976
